### **Safety and Handling**

It is recommended that when you are not using the DUBUDS TWS Earbuds that you keep them in the charging case.

### **Battery**

Don't attempt to replace the DUBUDS TWS Earbuds battery yourself – you may damage the battery, which could cause overheating, fire and injury. The lithium-ion battery in your DUBUDS TWS Earbuds should be serviced or recycled by H&BA Transformational Solutions Ltd or an authorized service provider, and must be recycled or disposed of separately from household waste. Dispose of batteries according to your local environmental laws and guidelines. For information about DUBUDS lithium-ion batteries and battery services and recycling, go to [www.DUBUDS.com/service-and-recycling](http://www.DUBUDS.com/service-and-recycling).

### **Avoid Hearing Damage**

To prevent possible hearing damage, do not listen at high volume levels for long periods. More information about sound and hearing is available online at your respective mobile hand held device manufacturer.
